GitHub: "<https://github.com/ashritha082005-max>"

Portfolio: "https://github.com/ashritha082005-max/Ashraya_Portfolio"

PROFESSIONAL SUMMARY

Motivated Computer Science Engineering student with a strong interest in Full Stack Development, Generative AI, and intelligent web applications. Experienced in building practical projects using modern web technologies, REST APIs, databases, and AI-powered features. Passionate about developing user-focused solutions that combine technology, automation, and real-world problem solving. Seeking opportunities to contribute technical skills, learn from industry professionals, and grow as a Full Stack and GenAI developer.

TECHNICAL SKILLS

Programming: Python, JavaScript	Frontend: HTML5, CSS3, JavaScript, React.js, Responsive Web Design
Backend: Node.js, Express.js, REST APIs	Database: MongoDB, MySQL
AI & Generative AI: Generative AI, AI-powered applications, Prompt Engineering, AI API Integration	Tools & Platforms: Git, GitHub, VS Code, Postman, MongoDB Atlas
Core Concepts: Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems, Web Development	

PROJECTS

Ashraya AI - AI Emergency Response Copilot | React.js, Node.js, Express.js, MongoDB, REST APIs, GenAI

LINK: https://github.com/ashritha082005-max/Ashraya_Business_Hub

- Built an AI-powered emergency assistance platform giving rapid step-by-step guidance for road accidents, fires, floods, severe bleeding, snake bites, heart emergencies and unconsciousness.
- Implemented SOS support, live location sharing, emergency contacts and AI-generated response guidance.
- Designed a responsive, accessibility-focused UI and a full-stack architecture (React frontend, Node/Express backend, MongoDB, REST APIs).

Ashraya LocalLense_AI - AI-Powered Local Needs & Reuse Platform | React.js, Node.js, Express.js, MongoDB, Generative AI, OpenStreetMap

LINK: https://github.com/ashritha082005-max/Ashraya_LocalLense_AI

- Developed an AI platform that recommends repair, reuse, donation, recycling or resale options for everyday objects based on user input.

- Integrated Generative AI analysis to understand user needs and produce relevant recommendations.
- Added OpenStreetMap-based location discovery to surface nearby services and resources, promoting sustainability.

ASHRAYA - Personal Portfolio & Digital Brand Website | React.js, JavaScript, HTML5, CSS3

LINK: https://github.com/ashritha082005-max/Ashraya_Portfolio

- Designed and developed a responsive portfolio website with smooth animations and interactive sections showcasing projects, skills, certifications and achievements.
- Optimised the interface for desktop and mobile with a clean, user-friendly design.

EDUCATION

CMR University, Bengaluru	Bachelor of Technology (B.Tech) in Computer Science & Engineering Expected-2027 CGPA:9.12/10 Relevant Coursework-Computer Science and Engineering
Government Pre University College,Kundapura	Pre-University courses(PUC) 2021 - 2023 Grade:87.5% Relevant Coursework-Physics,Chemistry,Mathematics,and Biology

CERTIFICATIONS & BADGES

- **AWS Academy Graduate – Cloud Foundations (Training Badge), AWS Academy, Sep 2025** Credly: <https://www.credly.com/badges/1c9a9c57-a41e-4c25-a740-cff88af788e4/print>
- **CRUD Operations in MongoDB – MongoDB Skill Badge, MongoDB Inc. (via Credly), Oct 2026** Credly: <https://www.credly.com/go/f01HlgOG>
- **Introduction to Machine Learning, NPTEL (IIT Kharagpur), Jul-Sep 2026 | Elite, 61%**

AREAS OF INTEREST

Full Stack Web Development, Generative AI & AI Applications, Artificial Intelligence, REST API Development, Database Management, Problem Solving & Data Structures, Building Real-World Technology Solutions

ADDITIONAL INFORMATION

- Solved 100+ coding problems in Python through Next Wave Academy.
- Participated in programming competitions, coding contests, mock interviews, and placement preparation sessions.
- Attended career guidance, mentorship, and industry interaction sessions.

SOFT SKILLS: Problem Solving, Quick Learning, Team Collaboration, Communication, Adaptability, Creative Thinking, Project Development

Languages: English, Kannada
