Portfolio: github.com/ashritha082005-max/Ashritha_Portfolio

SUMMARY

Computer Science Engineering student with hands-on experience building full-stack and AI-powered applications using Python, React.js, FastAPI, Node.js, MongoDB, REST APIs, and Generative AI. Strong foundation in Data Structures & Algorithms, DBMS, OOP, and AI API integration. Seeking entry-level Software Developer, Python Full Stack Developer, or AI Application Developer opportunities.

TECHNICAL SKILLS

Languages: Python, JavaScript, SQL | **Frontend:** React.js, HTML5, CSS3, Responsive Web Design

Backend: Node.js, Express.js, REST APIs | **Databases:** MongoDB, MySQL, MongoDB Atlas

AI / GenAI: Generative AI, Prompt Engineering, AI API Integration, AI-powered Applications

Core: Data Structures & Algorithms, OOP, DBMS | **Tools:** Git, GitHub, VS Code, Postman

PROJECTS

Ashritha LocalLense AI – AI Emergency Response Copilot | React.js, Node.js, Express.js, MongoDB, REST APIs, GenAI

- Built an AI-powered emergency response platform providing step-by-step guidance for road accidents, fires, floods, severe bleeding, snake bites, and cardiac emergencies.
- Implemented **SOS support, emergency contacts, location sharing, and AI-generated emergency response guidance.**
- Developed a responsive full-stack architecture using React.js, Node.js, Express.js, MongoDB, REST APIs, and Generative AI.

GitHub: github.com/ashritha082005-max/Ashritha_LocalLense_AI

Ashritha Business Hub | Full Stack Business Management Platform | React.js | Python | FastAPI | MongoDB | REST APIs

- Developed a full-stack digital business platform for managing and discovering businesses across multiple categories.
- Built a responsive React.js frontend with FastAPI backend and MongoDB for authentication, API communication, and structured business data management.
- Implemented category-based business discovery with a scalable architecture and user-friendly interface.

EDUCATION

CMR University, Bengaluru — B.Tech, Computer Science & Engineering | **Expected 2027** | **CGPA: 9.12/10**

CERTIFICATIONS & ACHIEVEMENTS

- **Introduction to Machine Learning – NPTEL (IIT Kharagpur)** | Elite, 61% | 2026
- **AWS Academy Graduate – Cloud Foundations** | AWS Academy | Sep 2025
- **CRUD Operations in MongoDB – Skill Badge** | MongoDB Inc. | Oct 2026
- **100+ Python coding problems solved** through Next Wave Academy; participated in coding contests, mock interviews, and placement preparation.
